DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

In the claims:

In claim 11, step (b), "with a yoke" should read --with a yoke (26)-- and "yoke height" should read --yoke height (H_{Yoke})--; Similarly in step (b) in claim 19

In claim 12, "1.0 mm" should read --to be 1.0 mm-- or --to equal 1.0 mm--

In claim 12, "to be equal" should read --to be-- or --to equal--

In claim 14, line 2, "selecting welding" should read --selecting the welding--

In claim 15, "providing the stator core (13) with a yoke (26) and" should be deleted, since the yoke was already provided in claim 11.

In the drawings:

2. The drawings are objected to because H_{Joch} in figs 2, 3, and 6 should read H_{Yoke} . Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the

remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

3. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
